FUNDRAISING CAMPAIGN
2011-2012

Plump up those seats!

- Now over 20 years old, our seats are in need of reconditioning, repair and cleaning. At least 15 require new arms!

Get a spring back in our steps!

- Our 23 year old 'deck' of the theatre requires new masonite

Replace that thinning rug!

- Our 23 year old carpeting has seen better days!

Get those "running lights" back on their feet!

- To ensure the safety of our patrons we want to install new lights on the stairs of each aisle.
- Augment audience entrance lights to enhance visibility

Give that cracked and aging skin a facial!

- No makeover is complete without a fresh coat of paint!

Your contribution is eligible for matching funds from Langara College, so your gift could go twice as far!
